ESA Datalabs Closeout

- Use Cases go beyond Big Data

- Real science being carried out already today

- Exclusive integration with ESA Space Science Data

- Exclusive access to ESA Space Science Analysis Tools

→ THE EUROPEAN SPACE AGENCY

"**D**atalabs made my work easy. It was a natural evolution path as a JupyterLab Developer" Alice Young

"**W**ithin a few days all of us could run the data reduction using ESA Datalabs" Giovanna Giardino

→ THE EUROPEAN SPACE AGENCY

THANK YOU!!

ESA Datalabs offers a home for our work to be easily accessible and promoted

Concentrating our efforts we can send a stronger message together
