

SOFTWARE PRODUCT ASSURANCE WORKSHOP 2023

25-28 September, 2023

European Space Astronomy Centre
Villanueva de la Cañada, Madrid, Spain

The workshop will cover presentations related to SW solutions, Cyber-security, Model-based SW engineering and assurance, Agile, SW process assessment, among others, and will provide many opportunities for networking and interaction with international experts in a wide variety of specialities, being an exciting forum for the presentation and discussion of the most recent advances in the software product assurance field.

ORGANISING COMMITTEE

Justyna Kowalska (RHEA for ESA)
Fernando Aldea Montero (ESA)
Gabor Marosy (ESA)
Helena Vicente de Castro (ESA)
Manrico Fedi Casas (ESA)
