

## Workshop Times

**Talks:** to start at 10:00 and finish at 18:00 daily (except on Friday; 13:30)

**Taxis:** 09:00 from Hotel Florida Norte to ESAC (entrance gate)  
18:30 from ESAC (entrance gate) to Hotel Florida Norte  
No taxi service provided at the end of the Workshop on the last day, but we can help to organize taxis if needed to the airport

**Coffee Breaks:** 2 coffee breaks of 20 min, in the morning (11:00)  
and in the evening (16:00)

**Lunch Time:** between 13:30 and 14:30 at the Canteen

## Workshop Site

Taxi drop off/pick up point

Canteen

SAS Workshop Room

Organized visit at ESAC

XMM-Newton Control Room (B)

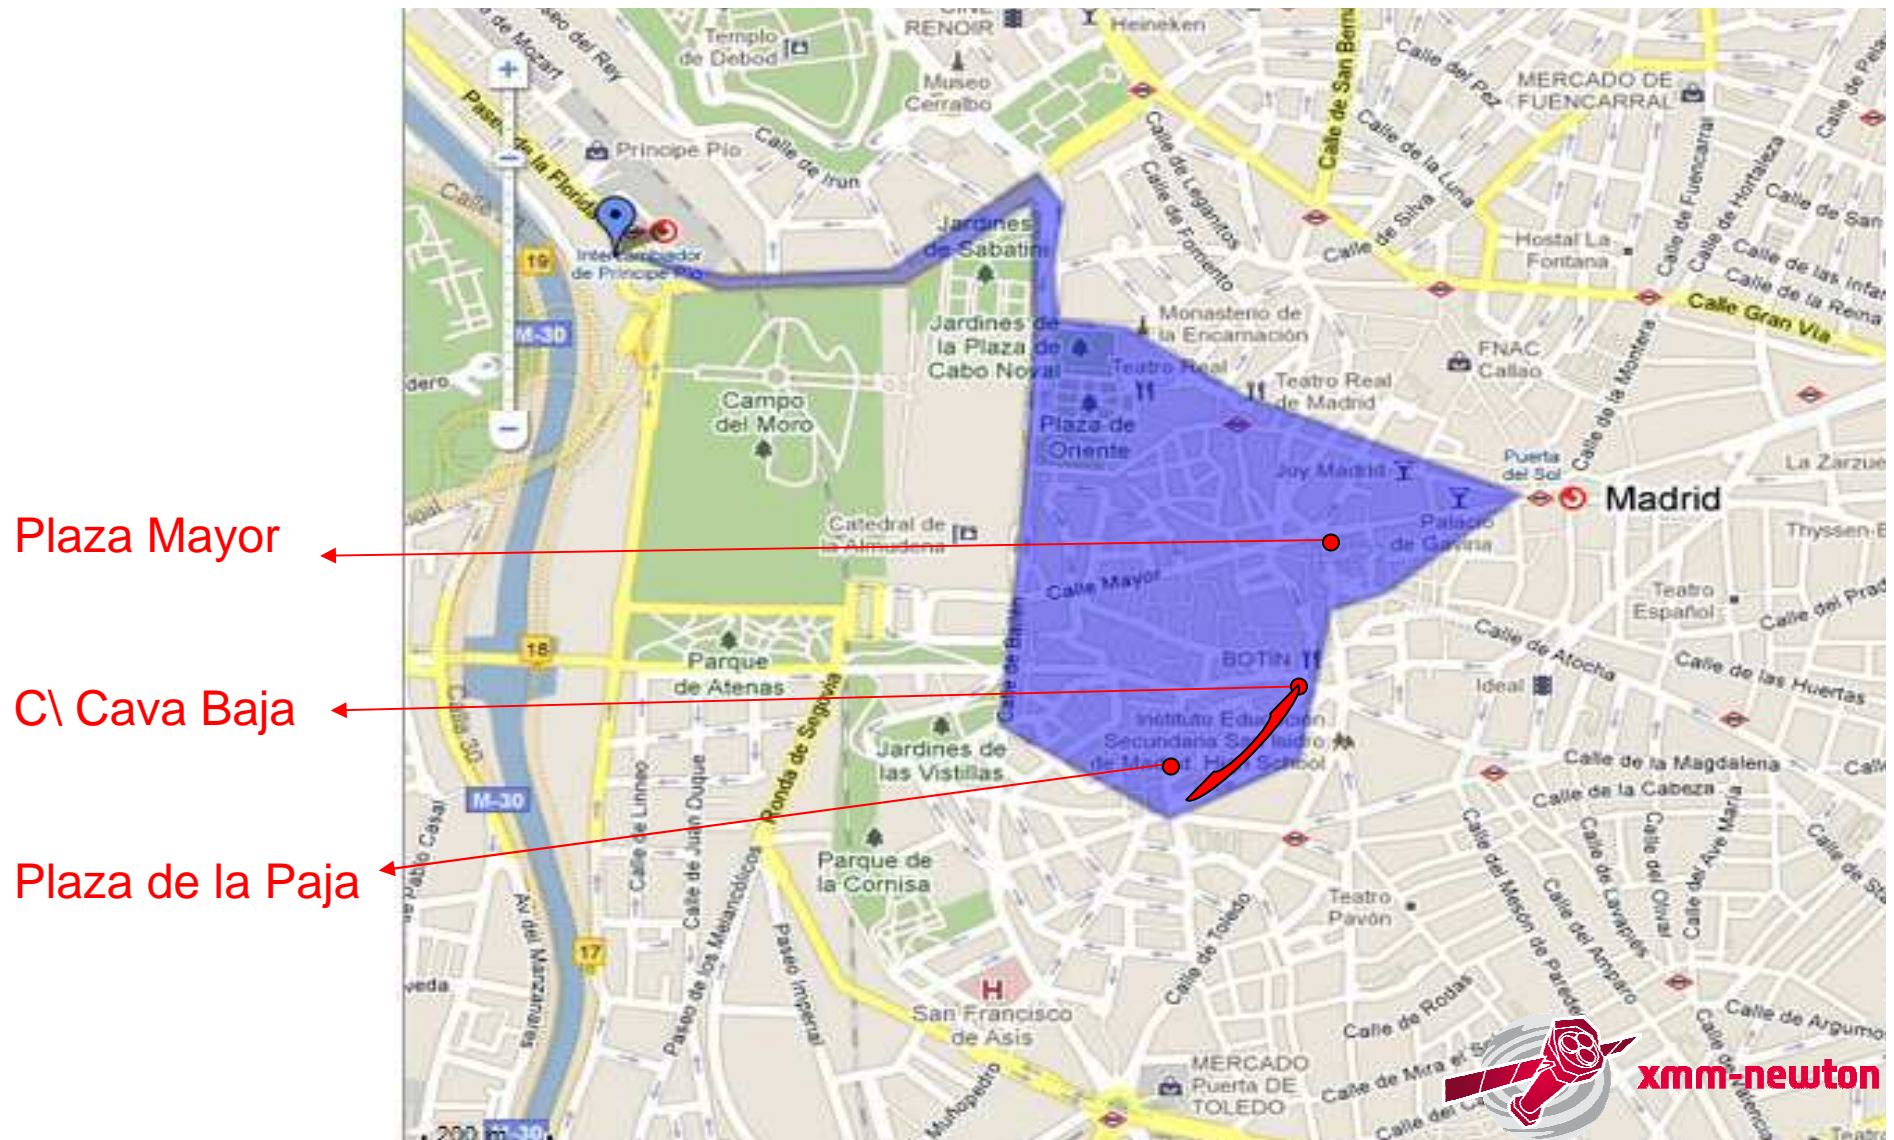

**Wednesday @ 9:30 pm**  
**Meet in entrance of building B**

## Around the Hotel

## Wireless

Wireless (for laptops): esa-conference with individual user and password

**Please do not connect laptops to land network  
(firewall protected and wont provide IP address)**

## Workshop CD

Load CD and open the file **Index.htm** with a web browser.

The CD provides:

1. XMM-Newton User Hand Book
2. SAS Manual / ESAS Cookbook
3. XMM-Newton Gallery Images
4. Program with PDF version of the Workshop talks
5. Some useful links

## Data for hands-on sessions

Three Options:

1. Use your own data
2. Download your favorite data from the XSA Archive

<http://xmm.esac.esa.int/xsa/>

3. Use provided ODFs:

0133120201 -> ABDor  
0129360201 -> PKS0558-504  
0125911301 -> HD13499  
0125910901 -> Hz2  
0125320701 -> BPM16274  
0123700101 -> Lockman\_Hole  
0122700101 -> G21.5-09  
0099280201 -> Mkn421

## Threads and SAS v13.5

**Threads** should be in line with the latest SAS release **SAS v13.5**

Any comments, suggestions, mistakes, things unclear ..... about the threads  
(or any other documentation), please let us know
