PERSONAL DATA PROTECTION

With respect to the personal data collected for the purposes indicated under this document, please note that TAS-France and ESA will act as separate Data Controllers as follows:

For TAS:

Tas-france will collect the EOI Forms received at the email address- referenced above and retain and use them only for the purposes stated in the Notice. By submitting a Form, cosent is given to make the EOI publicly known, as stated on the EOI Form. Thales Alenia Space France is keen to collect and process accurate personal data and to keep it updated. You may request the erasure, rectification, completion or amendment of your personal data if, and to the extent that it is inaccurate or incomplete, having regard to the purposes for which they are collected and processed, or if they are processed in violation with the principles referred in Thales Alenia Space France information notice available on the following link:

<https://wiki-external.thalesaleniaspace.fr/display/GDPR/Thales+Alenia+Space+France+information+notice>

According to this notice, your first point of contact concerning personal data matters is the TAS Data Protection Officer ("DPO"), who may be contacted at dataprotection@thalesgroup.com ESA shall be in copy of the correspondence DSP-JV-ESPRIT-Industry-Day@thalesaleniaspace.com and have visibility of the Expression of Interest Forms.

For ESA:

ESA will retain the forms submitted for the registrations for the duration necessary to fulfill the objectives of the EOI and Industry days, as announced herein. The Personal data will be handled in accordance whit the "ESA personal Data Protection Framework" applicable to ESA and available on the ESA website at the URL:http://www.esa.int/About_Us/Law_at_ESA/Highlights_of_ESA_rules_and_regulations.

The Agency is keen to collect and process accurate personal data and to keep it updated. You may request the erasure, rectification, completion or amendment of your personal data if, and to the extent that it is inaccurate or incomplete, having regard to the purposes for which they are collected and processed, or if they are processed in violation with the principles referred in ESA PDP Framework. According to ESA PDP Framework, your first point of contact concerning personal data matters is the ESA Data Protection Officer ("DPO"), who may be contacted at DPO@esa.int

Please kindly indicate your consent to the above at registration on the Event Webpage
